President's message

The Annual General Meeting and the 70th Anniversary Celebration will be held on Wed June 4, 2018 at Grace Point Church. The doors will open at 11:30 and the AGM will start at 12 noon. After the AGM we will be hosting a lunch and festivities celebrating 70 years of volunteer service to Peace Arch Hospital. The cost of the lunch is \$10.00 and tickets are available from your Group Leaders or from the Auxiliary office. Please note that **Tickets will not be sold at the door.**

Group Leaders, please do not plan on presenting any fund raising cheques at the AGM, the Membership meetings are the appropriate time for presentation.

The **City of White Rock** has approved an expenditure of \$100,000.00 to have an artist create a public piece of art that will recognize the Auxiliary's 70 years of service to the Peace Arch Hospital. The Foundation is working with the City on a proposed location.

Status of the current Board:

As per our Bylaws sec 5.8 and sec 5.9 all the current members of the Executive and the Directors have exercised their option to serve a second term that will be completed June 2020. I am pleased that all the members have agreed to serve another term. This is a very capable group of members, they have dealt with many important files with diligence and dedication including the preparation of the revised Constitution and Bylaws. We have some important files that we are working on and keeping this Board intact helps with the continuity in completing this work.
